Booking the Garden for a Wedding or Wedding Photos

We welcome your interest in booking the Garden for weddings, commitment ceremonies, and wedding photography.

The Garden is a favorite location for both our neighbors from the Village and friends throughout the city. We are equally pleased that David Duchovny, Oberto Gili and Netflix have also found the Garden an ideal backdrop. Perhaps our most famous event was Miranda's wedding (Cynthia Nixon) in 'Sex and the City.'

Below are some general guidelines to answer your questions about Weddings. For more information on other film shoots and reservations, please contact [Bookings](#)

General Information for Weddings & Wedding Photos:

Minimum donation levels for private use of the Garden are determined by the type of function, number of people and amount of time needed. Your wedding coordinator will inform you of the donation during your first conversations. Your contribution is not returnable unless the Garden is closed on the day of your event because of inclement weather or other acts of God beyond the control of the Garden staff. The Garden staff makes the final determination about whether the Garden will be open. If the Garden cannot be open and your event cannot be rescheduled, your contribution will be returned minus a processing charge. If your wedding is canceled for any other reason, your contribution will not be returned.

The Garden is available for ceremonies and photography only; receptions, food and beverages (apart from bottled water), thrown rice, confetti, chairs, rugs, tents and amplification are not permitted. There are no restroom facilities at the Garden. For your wedding, the Garden is closed to the general public.

The wedding/commitment ceremony reservation does not include a rehearsal. You may do a brief walk-through with the officiate and key members of your party in advance, however the Garden will remain open to the public during that time. Let our representative know if and when you wish to do this so we may inform gate staff that people will be on the lawn for a brief period.

If you would like to have your wedding photo posted in our online wedding album, please email a copy of the photo to [Bookings](#).
