Booking the Garden for a Wedding or Wedding Photos

We welcome your interest in booking the Garden for weddings, commitment ceremonies and wedding photography.

The Garden is a favorite location for couples from the Village and friends throughout the city and the world. Perhaps our most famous event was Miranda's wedding (Cynthia Nixon) in 'Sex and the City.'

Below are some general guidelines to answer your questions about weddings. For more information about reservations for other types of events at the Garden, please contact <u>Bookings</u>. Please include in the subject line: Other Types of Events.

General Information for Weddings & Wedding Photos

Minimum contribution levels for private use of the Garden are determined by the type of function, number of people and amount of time needed. Your wedding coordinator will inform you of the contribution level during your first conversations. Your contribution is not returnable unless the Garden is closed on the day of your event because of inclement weather or other acts of God beyond the control of the Garden staff. The Garden staff makes the final determination about whether the Garden will be open. If the Garden cannot be open and your event cannot be rescheduled, your contribution will be returned minus a processing charge. If your wedding is canceled for any other reason, your contribution will not be returned.

The Garden is available for ceremonies and photography only; receptions, food and beverages (apart from bottled water), thrown rice, confetti, chairs, rugs and tents are not permitted. For your wedding, the Garden is closed to the general public. There are no restroom facilities at the Garden.

The wedding/commitment ceremony reservation does not include a private rehearsal. You may arrange with our wedding coordinator to do a brief walk-through with the officiate and key members of your party in advance, however the Garden will remain open to the public during that time. The gate staff will be informed that people will be on the lawn for a brief period.
